HEATHER DOUCET

FULL STACK WEB DEVELOPER / TEST ENGINEER

RELEVANT EXPERIENCE

Test Engineer

Autobrain | New Orleans, LA | Feb 2017 – Present

Building and maintaining Automated Front-End Testing Suite with Selenium/Capybara/Poltergeist/PhantomJS/Chrome for Ruby on Rails application. Implementing Visual Regression Testing.

Full Stack Developer

biubird | Lafayette, LA | 2016 – Present

Designing and building full-stack RESTful applications on MVC frameworks, utilizing OOP designs, clean code techniques, Agile and TDD development.

Sr. Executive Assistant

Navinet (NANTHealth) | Boston, MA | 2013 - 2015

Provided top-tier support to the Senior Vice Presidents at this healthcare software start-up (acquired by NANTHealth in 2016). Coordinated heavy team meetings; working with teams to ensure alignment with project goals. Managed schedules and travel for busy senior staff, created presentations and videos for marketing, and maintained positive flow of communication throughout the company.

Interdisciplinary Studies Academic Advisor

John Jay College | New York, NY | 2012 - 2013

Oversaw advisement and registration for students transitioning to the CUNYFirst system. Created and implemented new digital integrated marketing program for the ISP department. Student retention at nearly 100%, with increased departmental registration of 5-10%.

Founder & Executive Director

Sunset-Ridge Waterfront Alliance | New York, NY | 2007 – 2010

Founded an advocacy non-profit organization to bring back ferry service to Brooklyn after collecting 2500+ signatures on a petition to Mayor Bloomberg. Oversaw complex marketing efforts, including creating and implementing "Greening the Ridge" festivals with 35 booths, 20 sponsors, 2000+ attendees.
